## **Equal Opportunities Policy**

### **1. General**

FUEL OILS HOLDINGS Limited is committed to a policy of equal opportunities for all employees, workers and applicants and shall adhere to such a policy at all times and will review on an on-going basis on all aspects of recruitment to avoid unlawful or undesirable discrimination. FUEL OILS HOLDINGS Limited will treat everyone equally irrespective of sex, sexual orientation, marital status, age, disability, race, colour, ethnic or national origin, religion, political beliefs or membership or non-membership of a Trade Union and places an obligation upon all staff to respect and act in accordance with the policy. FUEL OILS HOLDINGS Limited is committed to providing training for all its staff in equal opportunities practice.

### **2. Sex and Race Discrimination**

Unlawful sex or race discrimination occurs in the following circumstances:

#### **2.1. Direct Discrimination**

Under the Sex Discrimination Act 1975 and the Race Relations Act 1976 direct discrimination occurs where one individual treats another individual less favourably on grounds of their sex or race than he treats or would treat other persons.

#### **2.2. Indirect Discrimination**

A claim of indirect discrimination arises when an employer applies a requirement or condition generally, but which is such that a proportion of persons from one racial group who can comply with it is considerably smaller than the proportion of persons not of that racial group who can comply with it.

FUEL OILS HOLDINGS Limited will not discriminate unlawfully when selecting candidates or temporary workers for a vacancy or assignment or in any terms of employment or terms of engagement for temporary workers.

### **3. Disability Discrimination**

Under the Disability Discrimination Act 1995, disability discrimination occurs if for a reason which relates to the disabled person's disability an individual:

- treats him less favourably than he treats, or would treat others to whom that reason does not or would not apply, and,
- the employer cannot show that the treatment in question is justified.

FUEL OILS HOLDINGS Limited will not discriminate against a disabled job applicant or employee on the grounds of disability -

- in the arrangements i.e. application form, interview and arrangements for selection for determining to whom a job should be offered; or
- in the terms on which employment or engagement of temporary workers is offered; or
- by refusing to offer, or deliberately not offering the disabled person a job for reasons connected with their disability; or
- in the opportunities afforded to the person for receiving any benefit, or by refusing to afford, or deliberately not affording him or her any such opportunity; or
- by subjecting him or her to any other detriment (detriment will include refusal of training, transfer, demotion, reduction of wage; or harassment).

FUEL OILS HOLDINGS Limited will accordingly make career opportunities available to all people with disabilities and every practical effort will be made to provide for the needs of staff, candidates and clients.

Wherever possible FUEL OILS HOLDINGS Limited will make reasonable adjustments to hallways, passages and doors in order to provide and improve means of access for disabled employees and workers. However, this may not always be feasible.

## 4. Age Discrimination

FUEL OILS HOLDINGS Limited is committed to recruiting and retaining employees whose skills, experience, and attitude are appropriate to the requirements of the various positions regardless of age.

As far as is reasonably possible and in the most exceptional circumstances no age requirements will be stated in any job advertisements on behalf of the Company.

FUEL OILS HOLDINGS Limited will request age as part of its recruitment process but information will not be used in any detrimental way and is for compilation of personal data, which the company holds on all employees and workers.

## 5. Complaints and Monitoring Procedures

FUEL OILS HOLDINGS Limited has in place procedures for dealing with complaints of discrimination. These are available from the personnel department and will be made available immediately upon request.

## 6. Part-time Workers

This Equal Opportunities Policy also covers the treatment of those employees and workers who work on a part-time basis. FUEL OILS HOLDINGS Limited recognises that it is an essential part of this policy that part time employees are treated on the same terms as full time employees (albeit on a pro rata basis) in matters such as rates of pay, holiday entitlement, maternity leave, parental and domestic incident leave and access to FUEL OILS HOLDINGS Limited's pension scheme. FUEL OILS HOLDINGS Limited also recognises that part time employees must be treated the same as full time employees in relation to training and redundancy situations.

8.5 Where an employee is engaged in work where the gender change imposes genuine problems FUEL OILS HOLDINGS Limited will make every effort to reassign the employee or worker to an alternative role in the Company.

8.6 Any employee or worker suffering discrimination as the result of their gender reassignment should make recourse to the Company's grievance procedure.

8.7 Any discrimination complaint will be investigated fully.
